

Dear Prospective Oilstop Franchisee:

Thank you for expressing an interest in learning more about the Oilstop franchise opportunity. We believe it is prudent at this juncture to list the minimum qualifications for becoming an Oilstop franchisee:

- You should have a net worth of at least \$1,000,000 and liquid assets of approximately \$200,000, depending on the size of the project.
- We are looking for individuals with high integrity and a strong commitment to service excellence. An Oilstop franchisee must be able and willing to closely follow Oilstop's proven business system. Once the application process has been completed satisfactorily, you will undergo an extensive interview process to determine your potential commitment to these issues.
- Once this process has been completed satisfactorily, you will be asked to review and completely understand our business philosophy. Once we are pleased in this area, you will be given an in-depth tour of a number of our stores in order to observe firsthand the Oilstop service system. As a potential franchisee, the level of your commitment to this philosophy and process will play a key role in the awarding of an Oilstop franchise.

To maximize our market penetration, Oilstop is currently concentrating its efforts in Arizona, California, New Mexico, Oregon, Tennessee, Texas, and Virginia. We will look at additional markets, depending on the strength and viability of a franchise candidate. Please note that Oilstop does not provide financing for any portion of the franchise.

If you meet the requirements listed above and are interested in the Oilstop franchise opportunity, please complete the attached Oilstop Questionnaire and mail or fax it directly to Oilstop, Inc., Franchise Department, 5665 Redwood Drive, Rohnert Park, CA 94928, 707.586.2296 Fax.
